#### First Post-Election Night Ballot Count Update for the 2024 Presidential Primary Election

**LOS ANGELES** – Los Angeles County Registrar-Recorder/County Clerk (RR/CC) Dean C. Logan announced the first post-Election Night ballot count update for the March 5, 2024 Presidential Primary Election.

The update includes **105,717** ballots processed since Election Night. The total election results count is now **1,016,574**, which is **17.89%** of registered voters. Election results can be viewed on [LAVOTE.GOV](#).

**The next ballot count update will be on Thursday, March 7.** The full schedule of updates can be viewed on the [Canvass Update Schedule](#).

The **preliminary estimate of outstanding ballots** to be processed is **355,500**. See estimates below:

- **Vote by Mail ballots (VBM):** 345,000
- **Conditional Voter Registration ballots:** 10,000
- **Provisional ballots:** 500

The estimate includes Vote by Mail ballots received today by the United States Postal Service, and ballots returned in a Ballot Drop Box or at a Vote Center on Election Day.

The number of outstanding Vote by Mail ballots will increase as the RR/CC continues to accept ballots postmarked by Election Day and received through Tuesday, March 12 (E+7). These ballots are not included in the estimate.

Outstanding estimates are Countywide and are not currently available by jurisdiction as ballots are received and processed in batches throughout the county. The RR/CC prioritizes the timely processing, verifying, and counting outstanding ballots in the [Official Election Canvass](#).

The Official Election Canvass is a 30-day period in which the RR/CC processes and verifies all outstanding ballots to ensure that every eligible ballot cast by Election Day is counted.

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible, and transparent manner. For more information, visit [LAVOTE.GOV](#) and follow us on social media [@LACountyRRCC](#).
