Vote by Mail Ballots Mailed for the Presidential General Election

LOS ANGELES – The Los Angeles County Registrar-Recorder/County Clerk (RR/CC) began mailing Vote by Mail ballots to all registered voters for the Presidential General Election.

A Vote by Mail ballot will be sent to every registered voter to ensure safe and accessible voting options during COVID-19.

Voters can track their ballot with [Where's My Ballot](#). This easy-to-use tracking tool sends voters automatic notifications when their ballot has left the post office and provides an estimated time of arrival.

We encourage voters to safely participate in this election returning their mail-in ballot **early**. There are several safe return options available:

- Return by mail, no postage required – must be postmarked by Election Day
- Drop off at any [Vote by Mail Drop Box](#) – October 5-November 3
- Drop off at any [Vote Center](#) – October 24-November 3

Starting today, voters can visit the RR/CC [Norwalk](#) Headquarters to safely vote early in-person. All public health and safety guidelines will be followed, and voters will be required to wear a facial covering.

Media who want to capture footage or conduct interviews of in-person voting at the Norwalk HQ, or of the Vote by Mail operations must contact mediainfo@rrcc.lacounty.gov in advance to schedule a time.

The mission of the Registrar-Recorder/County Clerk is to serve Los Angeles County by providing essential records management and election services in a fair, accessible and transparent manner.
